LUIS FELIPE SANTOS DO NASCIMENTO

Developer

São Paulo, Brazil

+55 11 95884-3078 @ luisfelipesdn12@gmail.com luisfelipesdn12.now.sh

SKILLS

Git/GitHub Data Visualization JSON

Rest API Automation Arduino

Systems Architecture Web Scrapping

Unit Tests CI/CD UI/UX AWS

COURSES

Computer Graphic

Vector art, Image editing, Video editing, Digital drawing and painting, 3D - Modeling and Animation, Video Composition and Effect

2018 - 2020 | Done | Workload: 220 hours

SAGA - School of Art, Game and Animation

Data Science: Data Visualization with Python

Matplotlib, Google Colab, Scatterplot, Boxplot, Visualization of data in Bioinformatics for the comparison of genomes, Python + HTML

2020 | Done | Workload: 2 hours

Diego Mariano, Udemy

Backend Developer Course

Git Flow, Systems Architecture, Java, Spring Boot, tests, best practices with SQL, SCRUM, JavaScript ES6, Node.js with Express, best practices with API's and data security laws.

2020 | Done | Workload: 100 hours

Digital Innovation One

PROGRAMMING

Python

Go

TypeScript, JavaScript, Node.js

HTML & CSS

Java

C/C++

EDUCATION

Elementary School - Early Years

2011 - 2015 | Graduated

Colégio Alves & Freitas

Elementary School - Final Years

2016 - 2019 | Graduated

E.E. Professor Jácomo Stávale

High School

2020 | Graduated in the 1st year, attending the 2nd year

E.E. Professor Jácomo Stávale
